Waverly Hills creek and a voice

Posted by DementedWarlok - 16 Mar 2011 02:23

---

so i made this one alot you hear a creek, then you hear a pause and you here me ask if anybody is down there and you hear what sounds like who's talking

Nice. I like the fact that when I amplify that part and cut-out all that high hissing you can hear it very clearly. Good job.
