I just want to take the time to say a very big THANK YOU to all of my paranormal family here! You all have been so great and understanding and haven't judged or got angry with me when I needed someone to listen and let me vent. This place has given me the support and help in understanding abilities and that I have some of my own. Again THANK YOU all! I send everyone lots of love and hugs!

thank you for sharing all your experiences. We are all part of the great family of the mystery and is a luxury to learn so much from so many people like you. A hug from Spain friend.
