_____

Well friends, because here you have an impressive and moving collection of the best and most spectacular EVP that you can hear. We assure you that some of them are not recommended for sensitive people so give credence to these warnings eh!

Remember that although you get the translation of what they say, the audio is in Spanish. I hope you like. a hug

Come ... Lorena

Out of there ... you go

Help! do not listen! (**This is only suitable for people who are faint of heart. If you are very sensitive, I recommend not listening. I mean the record.**)

bring me a couple ... who

Ay ... Ay ... machine (**This will put you psychophonies the creeps**)
