

## **Taken with a white noise generator, no ghost box**

Posted by LishaM01 - 18 Jun 2011 05:03

---

After lowering the amplitude of the white noise, this is what was beneath it. The one labeled 6-16-2b is actually the original one. The second won as the extension 'a'

Please, tell me your name:

&quot;Hey you! You! Hey you, get outta here! Hey, get outta here now!&quot;
