I am baffeled by what all goes on while investigating. I won't post every evp but i will do numerous forums to try and share the majority of what i have gotten. Still only half done with review. Re: Bobby Mackey's Bar Posted by crystalcross - 31 Aug 2011 22:52 Are these all EVP's or is some part of it conversation at the time of the investigation? Re: Bobby Mackey's Bar Posted by undertaker1 - 31 Aug 2011 22:56 It is conversation there were 5 of us so there is some voices. We talked normal so we didn't mix any evidence with our whispers ______ Re: Bobby Mackey's Bar Posted by sixsense - 31 Aug 2011 23:38 I here a male voice talking, but I can't make out what he said. Still great job UT

Most of them are named from what i felt i heard. So look at the wave name if your not sure and see if you hear the same thing i did. This is truely my favorite place. We will go there and do a investigation.
