NEEDED 5-8 individuals wanting to host a GhostCam for at least 8-24hrs a day.

We're looking for several individual willing to host a GhostCam from their home or office location. The following are requirements:

- Computer or Laptop capable of browsing to a web page and running a flash application to upload live video streams.
 - A low light or no light capable webcam.
 - 8-24 hrs a day to leave this system running with internet access
 - A location with known and fairly frequent paranormal activity.

If you have all these	factors, please	let us know	and we'll set ι	up a special	webpage to host	your Ghos
Cam on this site.
