Carne	y Cemetary SVPR08 - 13 Nov	y - June	2011
Posted by	SVPR08 - 13 Nov	2011 05:26	

Our team caught this on camera during an EVP session in a very rural cemetary. There were no flashlites in use, no moonlight, and no one was smoking.

Can you upload the whole picture to the Photo album areas. Would love to see EXIF data, and the entire picture. Looks great from just this chunk.
