First off let me welcome everyone to the newest Ghost, Haunts and Paranormal related website.

Please take a few moments to tell others about yourself. Just a quick introduction. Since this site is dedicated to all its members, its nice to let us know a bit about yourself.

There is power in unity, and together we can take on any challenge.

Great Video! Very commercially edited. Although unfortunately I don't really see any paranormal evidence. Would love to see more.
